

weapons/tests/TestTWeapon.cpp

```
graph TD; A[weapons/tests/TestTWeapon.cpp] --> B[gtest/gtest.h]; A --> C[../code/TWeapon.h];
```

A diagram showing the dependencies of the file weapons/tests/TestTWeapon.cpp. Two blue arrows point from the bottom of the top box to the top of the two bottom boxes, indicating that the top file depends on the two bottom files.

gtest/gtest.h

../code/TWeapon.h
